VERLEIHKLASSEN

RENT ★★★★★
PREMIUM

Perfect for beginners and sporty skiers

Whether you are a beginner or an advanced skier, you are in the right place, as premium skiers win with light swing weight and better turning features. The high-quality material guarantees you more smoothness at high speeds and more grip on icy slopes. In addition, the stable construction enables optimal power transmission. With the large selection of excellent models and top-quality designs, you are ready for the slopes in Austria's most beautiful ski resorts.

RENT ★★★★★
SUPERIOR

Rental class over Premium

If your day's skiing is supposed to be a unique experience, then treat yourself to the Superior class. Only the best is good enough? With these skis, you are in the absolute professional league. Perfect material, innovative technology: This high-end class guarantees you excellent skiing characteristics and maximum fun, leaving you with full control on any slope!

RENT ★★
ECONOMY

Skiing fun at a bargain price

Sporty, smart spenders are best suited with a set of Economy skis. Whether you are a beginner or starting again, you value above all a cost-efficient price and solid material. The all-mountain skis guarantee you all manner of fun on the slopes. Their construction makes them tolerant to errors and provide plenty of comfort on the slopes.
